

Shielded AI-Ultrasound

- Safe
- Low-cost
- Portable
- Real-time

Automating image acquisition and analysis tasks

Vulnerable to bad actors

Security

Performance

1. Evaluation

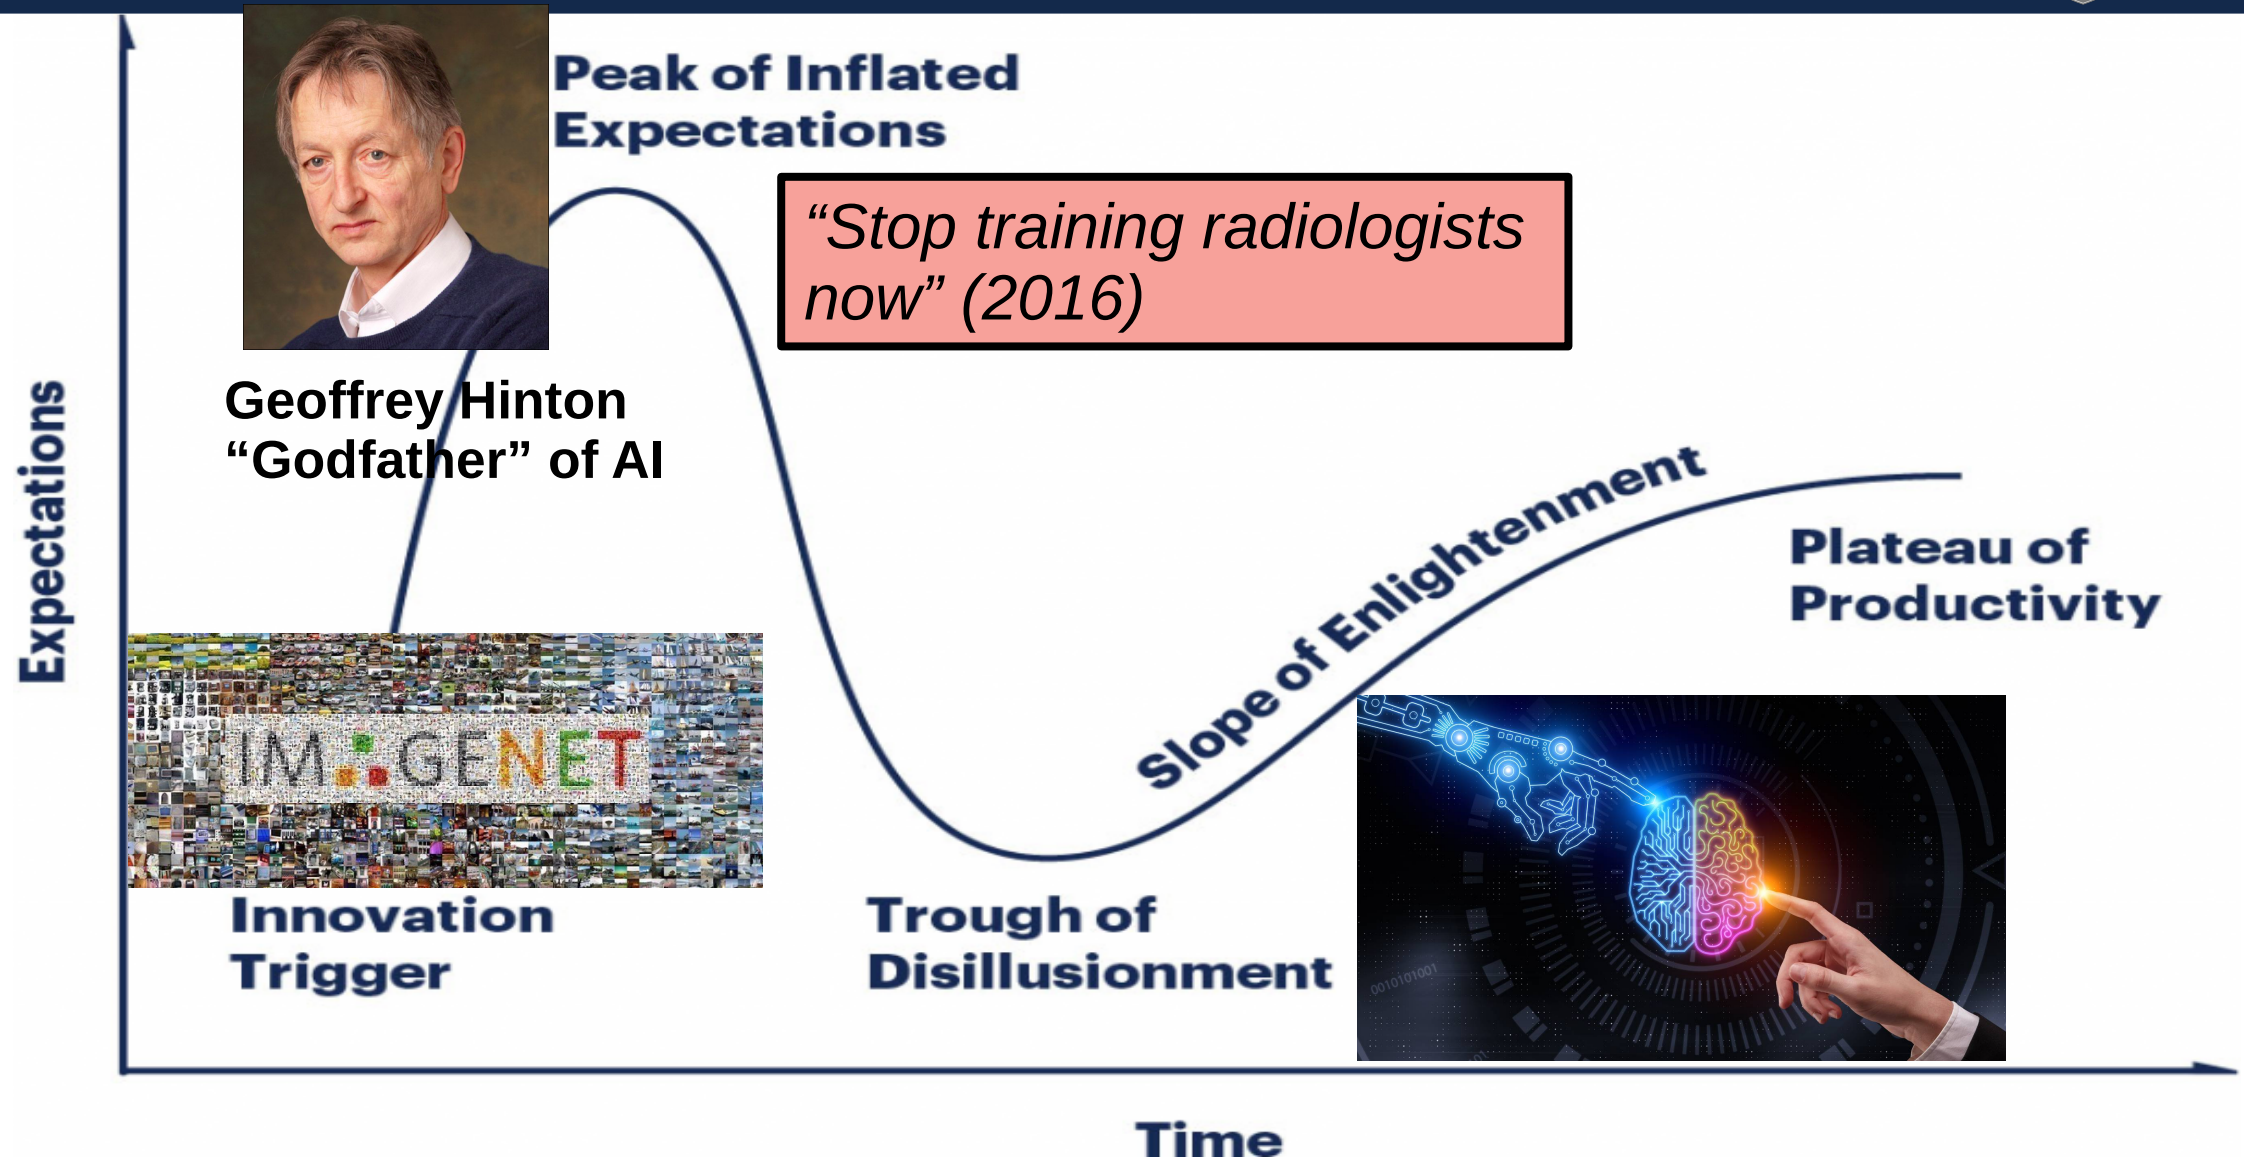

2. Improvement

*Adaptive Three Layered Solution
Strategy: Software, Hardware,
Physics*

3. Watermarking

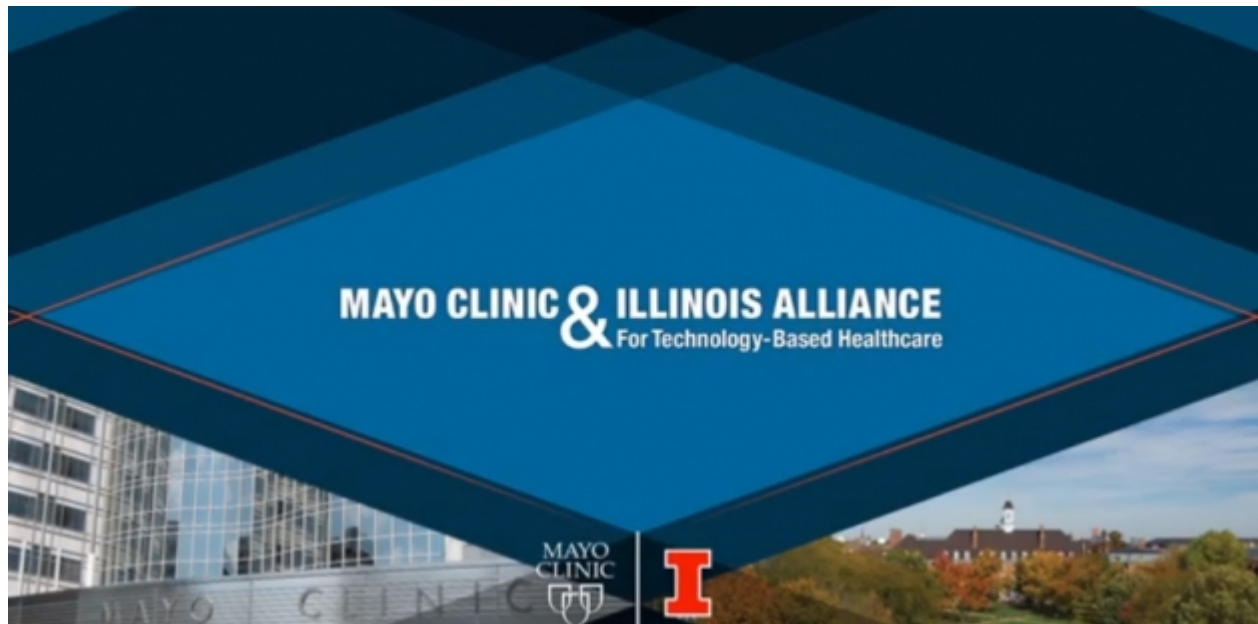

Why now?

- Global Ultrasound Devices Market in 2021 is **\$7.9B**
- Global Medical Imaging Market in 2021 is **\$28.0B**
- Global Artificial Intelligence Market in 2021 is **\$93.5B**
